Duration of the Project	3 MONTHS

Statutory Alert:

1. The authenticity of this Stamp Certificate should be verified at "www.sheltestamp.com". Any discrepancy in the details on this Certificate and as available on the website renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

The Principal / Head of Institution shall maintain a separate account for research purpose and for receiving the financial grant released by RGUHS in the name of The Principal / Head of the Institution, and the details of the same shall be submitted to RGUHS.

Principal / Head of the Institution and the Guide shall be responsible for the accounts and the proper utilization of the funds. The grants released shall be used only for research purpose.

The project shall be completed within Three months from the date of release of grant-in-aid. However, the University reserves the right to extend the tenure in deserving cases.

4. Principal Investigator shall furnish project status report once in a month till the completion of the project to the Director, Advance Research, RGUHS.
5. During the research work, members of the Expert Committee along with Subject Experts shall reserve the right of inspection of the research activity being carried out.
6. All the details about the conduct of research activity along with documents should be properly maintained by the Principal Investigator and the guide.
7. ICMR and MCI guidelines especially with regard to ethical issues shall be followed strictly in the research activity.
8. Regarding ethical issues in various faculties, the guidelines prescribed in the apex bodies or any other related authorities or any law/rules approved from time to time specifically applicable to the research being conducted shall strictly be adhered to by the Institution and Principal Investigator and the guide.
9. Research project may be published in national/ international indexed journals after the completion of the project. During such publication it is the duty of the Principal Investigator to acknowledge the assistance given by the University as a source of funding for the research activity. The Principal Investigator shall absolve the University in all future legal complications regarding copyright/ plagiarism issues with respect to the research project.
10. In case the Principal Investigator discontinues the research work under unforeseen circumstances, the co-investigator shall continue the research work and complete the project with the approval of the University. It is the responsibility of the Principal/ Head of the Institution/Guide to ensure, in such circumstances, that the research is completed with the co-investigator of the research project. If the project does not have a co-investigator and the principal investigator is withdrawing from the project, then, it shall be the responsibility of the guide to find a suitable alternative for carrying out the research project.
11. It is the responsibility of the Principal/ Head of the Institution and Principal Investigator to ensure that research work is completed within the stipulated time. In the event of failure to comply, the institution and Principal Investigator and guide are jointly liable to refund the research amount released by the University.

Pawan

The grants released by the University shall not be utilized for the purpose of purchase of equipment's/ software.

After the completion of the project the entire project report shall be submitted to the University and will become property of the University and University owns the intellectual property rights (IPR) as per the guidelines adopted by RGUHS on the recommendations of Expert Committee

The principal investigator and the guide agree to the condition that no honorarium will be paid to them.

5. The research grant can be utilized for travelling and registration charges if the project is going to be presented in state/national conference. Further research grant can be utilised for expenses involved in publication of the research in a indexed journals.
16. If any of the conditions mentioned above are not adhered to by the Principal/ Head of the Institution and the Principal Investigator and guide, University reserves the right to take appropriate action
17.
